“ Citation of your Country Leader”

“I see little of more importance to the future of our country and our civilization than full recognition of the place of the artist.”

“I am told that your overarching goal [Fermata Arts Foundation] is to promote the establishment of direct business contacts between educators and artists and the investment business community.”

I want to convey my enthusiastic support for the use of Investment and Cultural Clubs (ICCs) established between New England states and countries of the post-soviet space through student projects on renovation of abandoned industrial buildings and buildings designed in the modern time for missions beyond only student projects.
